### Makeup-Mid Date Sheet for B.S Engineering Technology Spring 2019

Technology	10/8/2019	16-08-2019	17-08-2019
	Saturday 2:30 to 6:00	Friday 03:00 to 6:00	Saturday 2:30 to 6:00
BS Civil 2nd Semester	Fluid Technology (CET-302)	Mechanics of Materials (CET-304)	Technical Drawing (CET-308)
	Surveying (CET-306)	Electrical Machines-I (EET-304)	Islamiat/Ethics (ISL-321)
BS Electrical 2nd Semester	Applied Technology Math II (EET-302)	Fundamental of Mechanics (PHY-321)	Power Generation System (EET-306)
	Workshop Technology (EET-308)	Electrical Machines-I (EET-304)	Pakistan Studies (PST-321)
BS Mechanical 2nd Semester	Introduction to Calculus (MTH-322)	Statics (MET-306)	Islamiat/Ethics (ISL-321)
		Electrical Technology (MET-302)	
BSCS 2nd Semester	Introduction to Stastical Theory (STA-321)	Digital Logic Design (ELE-401)	Orbit Oriented Programming (CSI-302)
		Introduvtion to pak Economy (ECO-408)	Communication Skills (ENG-421)
BS Civil 4th Semester	Quantity Survey & Contract Document (CET-424)	Soil Mechanics (CET-421)	Water Supply & Waste Waater management (CET-423)
		Hydraulic Mechiney (CET-422)	Pakistan Studies (PST-321)
BS Electrical 4th Semester	Applied Technology Math II (EET-404)	Electrical Power Transmission (EET-406)	AC Machine (EET-402)
		Power Electronics (EET-410)	Power Distribution & Utilization (EET-408)
BS Mechanical 4th Semester	Fluid Flow Process (MET-402)	Design Of Machine Elements (MET-406)	Industrial Electronis Technology (MET-410)
		Basic Mechanics Ofv Mechine (MET-404)	Manufacturing Technology (MET-408)
BS Civil 6th Semester	Introduction to Arch & Town Planning (CLT-504)	Renewable Energy Resources (CLT-508)	Engineering Management (CLT-512)
		Steel Structure (CLT-506)	Environmental Management (CLT-502)
BS Electrical 6th Semester	Fundamental of Space communication & Technology (ELT-506)	Electrical Appliances & Safety Techniques (ELT-609)	Power System Protection Techniques (ELT-504)
		Industrial Electronics (ELT-502)	
BS Mechanical 6th Semester	Heat & mass Flow Process (MLT-508)	IC Engine Operation (MLT-502)	Engineering Management (CLT-512)
		Industrail Thermal Utilization (MLT-506)	Condition Monitoring & Maintenance (MLT-504)

**Note:**

- 1-Mobile Phone will not be allowed during Examination.
- 2- After this No Option for Mid-Term papers
